

EPA applauds these national leaders

for making the
air cleaner
and **saving energy,**

one commute
at a time.

Advanced Micro Devices

Anadarko Petroleum Corporation

Apple

Boeing

Cisco Systems

Devon Energy

El Paso

EMC Corporation

Hewlett-Packard

IBM

Intel

Microsoft

Nike, Inc.

Oracle

QUALCOMM

Reliant Energy

Safeco Insurance

Sun Microsystems

Texas Instruments

Wyeth

Nearly 90 companies have earned a place on the U.S. Environmental Protection Agency's list of **Best Workplaces for CommutersSM** from the nation's top 500 grossing companies. By offering superior commuter benefits—from transit and vanpool subsidies to the flexibility to telework—to their employees, these companies are distinguishing themselves from the competition and demonstrating environmental leadership.

For more information, including the full list of Best Workplaces for CommutersSM, visit www.bwc.gov.
